

LDN 4U Camden: Trusted Support for Young People (14–17) and Adults (18+)

Seamless transition. Consistent support. Empowering independence

This new service supports young people age 14-17 and 18+ living in South Camden.

We provide 1:1 support in your own home and out and about in the community.

Our team are based at the Greenwood Community Centre but support people in the community.

LDN London has over 60 years of experience supporting people with learning disabilities and we have been supporting people in Camden for over 10 years.

Outstanding 

Support You Can Trust

At LDN 4U Camden, we provide safe, high-quality, person-centred support for young people and adults with learning disabilities.

We understand that choosing the right support is important for families. Our experienced team is committed to providing consistent, reliable care that promotes independence, confidence and wellbeing.

Why families feel confident with us:

- CQC Registered – Rated Outstanding
- Over 60 years' combined experience in learning disability support
- Supporting people in Camden for over 10 years
- Staff recruited with full employment history checks
- Enhanced Child and Adult DBS checks
- Fully trained and experienced support workers

We support individuals in their own homes and in the community, helping them build skills, independence and meaningful connections.

Flexible, Person-Centred Support

We offer tailored support for young people aged 14–17 and adults aged 18+, ensuring a smooth and positive transition into adulthood.

Our support includes:

- Transition support from children's to adult services
- Support in the home
- Community access and social inclusion
- Developing daily living skills
- Promoting independence and confidence
- Consistent, trusted support workers

We provide support 7 days a week, with flexible arrangements designed around individual needs.

Our team works closely with families and professionals to ensure continuity, stability and a seamless pathway into adult services.

Who Can Be Referred?

- Young people aged 14–17 in transition planning
- Adults aged 18+
- Individuals living in South Camden

How to Make a Referral

Referrals are made through the Camden Social Work Team.

Social workers can refer directly to LDN 4U Camden as part of transition planning or adult care support packages.
